

Excellence & Innovation in Healthcare

Orange Coast Memorial Medical Center, in cooperation with more than 450 physicians and nearly 700 employees, offers the highest level of professional care in nearly every medical specialty. We're large enough to provide a broad range of comprehensive services and innovative specialty programs, yet intimate enough to offer special touches—like a friendly staff, comfortable setting, beautiful landscaping, and view balconies.

Our focus is on meeting the individual needs of our patients while maintaining cost effectiveness. We accept most health insurance plans and are affiliated with well-known medical groups like Orange Coast IPA, Memorial Prompt Care & Family Medicine, and Talbert Medical Group.

Orange Coast Memorial is the newest member of the MemorialCare Medical Centers which include such prestigious institutions as Saddleback Memorial Medical Center, Anaheim Memorial Medical Center and Long Beach Memorial Medical Center, recently named one of the top hospitals in the country by *U.S. News and World Reports*.

Comprehensive Services and Innovative Specialty Programs

Emergency Care

Our *Emergency Department* is known throughout the area for its fast, friendly service. In fact, we are consistently recognized in statewide surveys for having faster service, better physician care and superior medical outcomes when compared to other area hospitals.

Orthopedics

MemorialCare Orthopedics at Orange Coast provides a broad spectrum of services by top specialists. The *Joint Treatment Program* focuses on improving the quality of life for joint pain sufferers. The advanced technology and exceptional track record means a faster recovery time with fewer surgical complications.

Pain Management

The *Coast Pain Management Center* uses leading edge techniques and a multidisciplinary approach to eliminate or reduce the effects of chronic pain.

Complementary Medicine

At the *Center for Optimum Health*, we integrate traditional medicine with time-honored forms of natural medicine to help patients feel their best—physically, emotionally and spiritually.

(continued)

Pregnancy and Childbirth

At the *Women's and Children's Center*, expectant parents find everything they need from educational classes and beautiful labor, delivery and recovery rooms to 24-hour anesthesia service and a Level II Neonatal Intensive Care Unit.

Breast Health

The MemorialCare Breast Center at Orange Coast includes a team of prestigious physicians who are devoted to prevention, early detection and treatment of breast cancer. Opened in 1998, the center offers state-of-the-art technology in a warm, comfortable setting.

Weight Loss

The Smart Dimensions weight loss program provides a surgical solution for people 100 pounds or more overweight.

Cosmetic Surgery

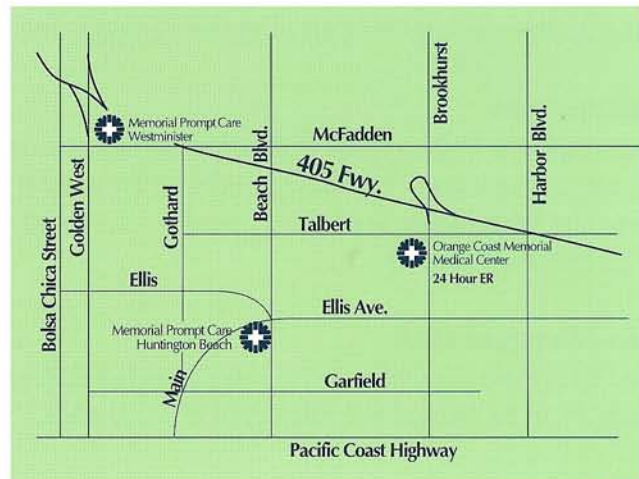

Our Cosmetic Center provides a comfortable, safe, affordable and very private environment for cosmetic surgery patients.

Worker's Compensation

We offer coordinated care with worker's compensation providers throughout the area. Our emergency and rehabilitative staff are experienced in treating work-related injuries and illnesses. They strive for the best recovery in the shortest time.
